The Enthymion staff would like to give thanks to all those who donated their time and energy to help sell ads, books, and put the yearbook together. We would also like to thank everyone who purchased a book, or were patrons, for supporting our efforts.

Although the Enthymion was distributed late, we are proud of it and feel that it is an excellant recap of the '73-'74 year at Huron. We hope you feel the same and will give the '74-'75 staff enough support and cooperation to create an even finer yearbook.

HOMECOMING VICTORY WAS SWEET!

Best J.V. "Team" Ever

Under new head coach John Marshak the LV Rats posted the best record ever by a Huron J.V team,

With a 3-4-1 record, Coach Marshak said, "any game could have gone either way, we were never blown off the field." He also pointed out that every game produced "a different standout. It was always a great team effort." Marshak mentioned Jim Holmes and Mike Blalock along with Bill Peterson, this years Captains and MVP respectively as doing a good job.

Tank Rats Reign Supreme In SCC For Sixth Straight Year

This years Tank Rats finished on the top of the South Central Conference for the sixth straight year.

Despite an average season of 11 and 4 in dual meets, the Tanks Rats produced a state champion. Jim Stewart broke the state record in the 500 yard freestyle. Two unranked relay teams pulled through with outstanding performances to place in the state meet. Jim Kesslering and Paul Griffith placed in individual events in the state meet also.

"We should be strong again next year," said coach Pheney, "our graduating class is small along with a returning state champion."

The debate team had a successful year during 1973-74. During their season they participated in eleven invitational tournaments between September and January. Further, the novices competed both at the Regional and State Finals (finishing fourth in the State) and the varsity team qualified out of Districts to the State Tournament In addition to competing in tournaments the Huron team hosted more than thirty other schools (comprising more than one hundred teams) at its own invitational on October 20, 1973.

However, Saturday invitationals were not the only competition for the debaters and the other for Novices. The Novice team finished in second place in its league; and a Huron debater was one of the top debaters in the JV-Varsity league in which Huron finished in third at both levels of competition.

The season saw Huron win fifteen invitational trophies for individual or team performance as well as two plaques for excellence in State competition.

In looking forward to next season, the debaters are optimistic as there will be eleven returning debaters. The six seniors who will graduate this year contributed much to the program and will be missed next year. The seniors on this year's squad were: Walter Kincaid, Kathy Hall, Debby Mueller, Kit Tilly, Pennie Rostow and Dean Matcheck.

Theatre Guild Performs Two Successful Productions

The stage of Huron High was graced this year with two productions performed by it's Theatre Guild Players. In the fall the audiences laughed at the antics of "See How They Run" and in the spring they were saddened by the emotion of "Flowers for Algernon."

Both plays were under the direction of Ms. Judith Burnor, Theatre Guild's teacher sponsor. The cast was chosen from among Huron's many talented people who flocked into tryouts. You do not have to be a previous member of Theatre Guild to try out any obnoxious ham will do

But seriously folks-Theatre Guild is always looking for undiscovered and unnoticed talent. If you feel you fall into that category (and survived the fall) come and tryout next year. Theatre Guild will undoubtedly maintain their fine reputation by bringing enlightened culture to the dim halls of Huron

Forensics...what's that? Every year as spring rolls around a group of students get together with Mrs. Kregar to display their talents in interpretive reading oratory, radio, and extemporous speaking. The team prepares for several months after school and at Saturday invitational tournaments for the state-wide competition in late spring. This year the team had an enthusiastic turnout and carried away many trophies from Saturday tournaments. In the midst of the state-wide competition, a good showing is being made by Huron's Forensics team.

Ranging from sophmores to seniors, the membership not only did well in competition but enjoyed themselves in doing so. It was a great year for the team

Girl's Athletic Club Active This Year

The Ann Arbor Huron High School Girl's Athletic: Club (G.A.C.) is open to any student who actively participates in one or more G.A.C. sponsored sports

Basketball, Competitive Swimming-Diving, Field Hockey, Gymnastics, Softball, Syncronized Swimming, Tennis, Track and Field, Volleyball, or Waterpolo.

An executive Board made up of Laurie Murphy, G.A.C. President, Pattie Lawson, Vice-President, Maryanne Cochrane, Secretary, and Billie Engle, Treasurer, with Ms. Pat Kollen as the faculty Advisor, governs the 1973-74 Girl's Atheletic Club.

At the annual G.A.C. Spring Banquet, awards such as pins and letters are presented to the atheletes on the basis of their participation in sports

The goal of the Girl's Atheletic Club is to give each female athelete at Huron the opportunity to participate in the sport or sports of her choice under qualified coaching, and to learn firsthand how sports can enrich one's life.

Huron's Homecoming Court.....1973

Huron's Homecoming Committee almost decided not to have a queen because it created to much hassel among the girls on the court. They wanted the whole court to represent the school. Many felt that, that would be breaking the tradition, so Huron had a queen, who was selected by the votes of the student body.

This year's homecoming court consisted of three seniors, two juniors, two sophmores and two freshmen.

Front Row: Diane Stone, Carol Rhodes, Anne DeKornfeld, Second Row: Jenny Adams, Renee Shankle, Third Row: Ann Segura.

Senior - Faculty Hockey Game

This year the Senior Fundraising Committee came up with a good way of raising money. It was to have a hockey game between the seniors, boys and girls and the faculty, men and women.

Two games were played, the first of which ended at a 4-4 tie and the second in which the faculty won a 6-4 decision.

Middle Row: Mr. Ochs, Rick Tasch, Mr. Shields

Bottom Row: Vicky Walker, Mr. Bowker,

Both hockey games seemed to be very profitable for the seniors. We hope that these hockey games will continue as a tradition to be put on by the seniors as a fundraising project.

Meyers Has Dedication

Meet Mr. Mevers. I am sure many of you are saving who is he? He is our principal

If you are not aware of this, no natter what grade, put the biame in yourself, not him. All students have had their chance to meet and talk with Mr. Mevers at an introfuctory assembly at the bearinging of the ear. It is just that many 1d not take advantage of it

Mr. Meyers arrives at school at 7 in the morning and does not leave until about 5 in the evening He is often here on Saturday and Sunday. His day is filled with interviews with class principals, counselors, teachers, students, and parents. He commented that it was not unusual to make several trips to the administrations building in , normal day

Mr. Meyers says he is definitely iware of the lack of communication with students and it does bother him. Yet he expressed the fact that it is a problem that always becomes apparent in a large, over-crowded school such as Huron, but he is always trying his best and hopes that next year the school's population will be down by a few hundred

Yet he enjoys his job as principal, watching Huron progress since the opening of the school in 1969. Prior to this he has had work with teaching chemistry and being class and assistant principal in other areas of Ann Arbor.

Asked if he has interest in a particular subject or hobby his reply was "just school". Now that is dedication!!!

FATCH

In the Ann Arbor Schoo System for 7 years, 5 at Huron, ex-speech teacher and trainer, Mr. Robert Fatchett, is now the minth grade Class Principal. He is now responsible for 600 freshman. Currently completing his Masters Degree in Administration, Fatch certainly is well qualified for the job.

Got A Problem? Call A Counselor

James Zornes

Huron's counselors have divoted much time this year to the establishment of a Career Education Center

The Center design features unique furnishings and display boards as well as complete utilization of the available space

Washtenaw Community College architectoric students helped with the construction, and funds were provided through the office of the Ann Arbor Public Schools Director of Occupational Education

Career Info available in the Center includes tob opportunities required training, wages, and working conditions in many areas

Secretaries: Behind The Scenes

Huron has a total of seventeen secretaries who do much more than most of us realize

They're the ones that prepare and send out grades to the students; keep track of attendance; and handle communitions. Daily announcement sheets and other info are the available at the general office sports schedules, maps, etc. can be found at the sports office by the gym, and so on

These are only a few of the things the secretaries do to keep everything organized and running smoothly

Librarians: What Would We Do Without Them!

I are the to the to a rest the to

The library has a new policy this year to discourage such problems as people talking, books being switched around, and books being taken without being checked out.

Students are now required to present their green and white Huron I.D. cards before entering the library

This can be a hassle but it has cut down on noise, making the library a quiet place to study when you can get in

From Shakespeare. . .

Over 22,000 Michigan High school students took the First part of the Michigan Mathematics Prize Competition test. Of these, 900 qualified to take the second part, and only 100 qualified for the finals. Among the 100 were six Huron students and the best in the state, David Lampert.

Four students from Huron High received honorable mention certificates, Joyce Chu, David Laurance, Gary Kikuchi, and Richard Neidhart all proved worthy of this highly esteemed prize.

There have been several changes in the math computor program with the switch over to the Washtenaw Intermediate Time Share System.

Huron now has two phone couplers which should speed up the waiting line for computor use. The language is basically the same, with some minor changes from last year.

Auto Shop Program Expanding

During Christmas vacation, the Auto Shop Dept. recieved a 1973, 454 Chevy Caprice Classic free of charge. The car, with 3,000 miles on it, was used as a test car and by law cannot be driven on public roads after completing the tests

So it was towed in and is now being used to teach air-conditioning and emmission controls

A gift from Rampy Chevrolet

The future for Huron's Auto Shop looks promising. An addition to the Auto Shop is being considered, after a report by the University of Michigan Bureau of School Services which showed that the automotive facility should be enlarged 3 times to meet requirements for a good vocational program.

Reasons for the addition were larger enrollment, students turned away, overcrowding, and poor working conditions.

With a growing demand for automotive personnel, the addition will be of great value to the automotive program. 'We're not as equipped as we need to meet the educational needs of students in the metals area, but we are makin. Approximents.

VOCATIONAL ED, PROGRAM

Expending new courses are grow popular among students in the Vocational Education Depart ment. Automotive, Graphics, Electronics, Metal and Architectulial drafting classes have been in creased from one hour to two hour periods a day

Popularity increases because it seems fewer students plan on going to col ge and intend to be in working after graduation from high school

Not all students are from Huron. This is "Shared time county wide program," expiains Vocational Education Chairman Roy Underwood, "students from Milan, Whitmore Lake, Dexter, Saline and Pioneer also are entitled."

The purpose of these classes is to "Give students more opportunty to gain greater indepth occupational skills used on the job, at and Mr. Underwood

ODE TO BOBBY RIGGS

One Thursday maht at

control occurrence
I watched Billie Jean heat a
chauvinist jock
She took a racket in her hund,
and went to defeat the
loud mouthed ham
Backhand to the left,
forearm to the right,
she gave Riggs an awful flaht

Finally Riags began to tire,
when It was over King knew he
was a liar
"A woman's place is in the
home," he said
but Billie showed him, she cut
him dead.
All women know that it's a
crime,
that they don't get their equal
time
It may be true that men are
stronger,
but the tennis game thoughts
will always live longer.

The Universal Language

Music, the universal language of mankind, is certainly one of the most popular subjects offered at Huron. Courses range from Symphony Orchestra to Music Appreciation, with over four hundred students participating. The performing groups, directed by Mr. Edward Downing, Mr. G. Vallasurda, and Miss Ruth Datz, give several concerts throughout the year along with attending both District and State Festivals where they are judged on their performing levels. Huron groups have always done extremely well at festivals and this year was no exception; both Concert and Symphony Bands and Symphony Orchestra recieved all superior ratings. Cantondo and A Capella Choirs also recieved good ratings.

Being a part of a music group at Huron involves much time and hard work. To maintain their level of excellence call are a real and along with occasional evening and iter ach along reals. But all the practicing has paid off, and Huron can be proud to have one of the finest music programs in this state.

We Count The Days And Hours, Yet, When It Is Over, There Is A Feeling Of Sadness. . . Like You Don't Want To Leave

. . . a little older when you leave, even affected by it.

"You say he's going on eighteen. He's practically a man, isn't he? So he'll know his way around soon."

"I don't know my way around yet," said Simple.
